

4. Critical Thinking & Writing

Select one of the following images. On a separate 8.5" x 11" sheet, give a title and an interpretation of the image (250-500 words). Move away from a mere description of what you see, but rather try to read the image analytically. Focus on the ideas that the image communicates to you. Please type your text in 10pt Arial font, double-spaced and proofread it carefully for errors.

Please check the image you choose.
